Re: *Tariff Filing to Modify Language Regarding Special Contracts*
Docket No. 03-00366

Dear Chairman Kyle:

Enclosed are the original and fourteen copies of BellSouth's letter to counsel for AT&T regarding error in service on BellSouth of AT&T's pleading, which pleading was filed today with the Authority. As noted in the letter, BellSouth has now obtained a correct and complete copy of AT&T's filing from the TRA website to replace the incomplete service copy provided to BellSouth.

Copies of the enclosed are being provided to counsel for those parties who have filed requests to intervene.

Cordially,

Joelle Phillips

Re: *Tariff Filing to Modify Language Regarding Special Contracts*
Docket No. 03-00366

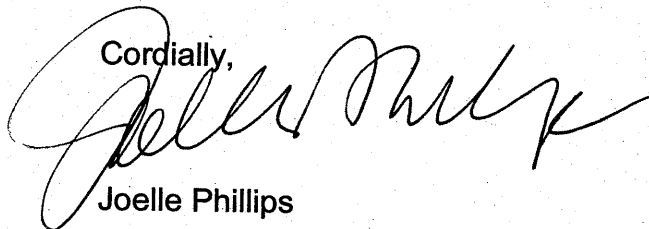

Dear Henry:

I am writing to address the service on BellSouth of AT&T's filing today in the above-referenced docket. Thank you for your e-mail letting me know that we would receive a service copy of AT&T's pleading by facsimile before noon today.

Shortly after noon, we received, by facsimile, a copy of a pleading on behalf of AT&T. That copy, however, was missing pages 6 and 9 and contained two separate pages each numbered 10. Given the timing of AT&T's filing on Friday afternoon in advance of the specially-set Conference on Monday, to avoid any chance of further confusion regarding AT&T's pleading, we have obtained a copy of the complete pleading from the TRA website. The TRA-filed version of AT&T's pleading, unlike our service copy, was not missing any pages.

Obviously, we want to ensure that future service of pleadings on behalf of AT&T is correct and complete. For this reason, we wanted to be sure that you were aware of this error. Thank you in advance for your cooperation in ensuring that BellSouth is served correctly on future pleadings.

Cordially,

Joelle Phillips
